INFORMATION REGISTER

Purpose:

This register is maintained and made publicly available in accordance with clause 4.3.5(a) of the Australian Energy Regulator's (AER) Ring-fencing Guideline Electricity Distribution. The table below lists the legal entities who have requested access to information identified in clause 4.3.4(a), that is, confidential information that a Distribution Network Service Provider (DNSP) shares with a Related Electricity Service Provider (RESP), and a description of the kind of information requested.

ID	Company name	Description of information requested*	Date added to register

*The description of the information must be sufficient detail to enable other legal entities to make an information decision about whether to request that kind of information from the DNSP.
