# Community Choices 2022
## How to vote

> Voting for Essential Energy's Community Choices Program is open from **9am Friday 8 April** and closes **midnight Monday 18 April 2022**.

> You can vote once per group, per hour. You can vote for as many groups as you like

> The amount of funding awarded is determined by community voting. Each vote counts so vote as many times as you can to show your support for your favourite local cause

> Use these instructions to help you vote for the group you think most deserves a little boost

> Go to **www.essentialenergy.com.au/choices**
> Scroll down to find the **Community Choices Voting** section of the page.

> Use the **Search** bar to find your group

essential energy

> To find and vote for other groups in your area, use the **Filter** feature to filter by zone. Check out the Zone Map **here**

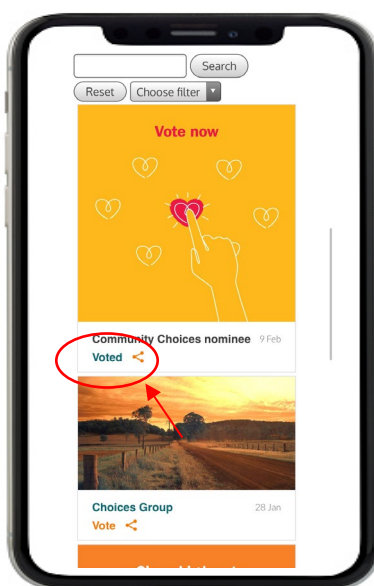

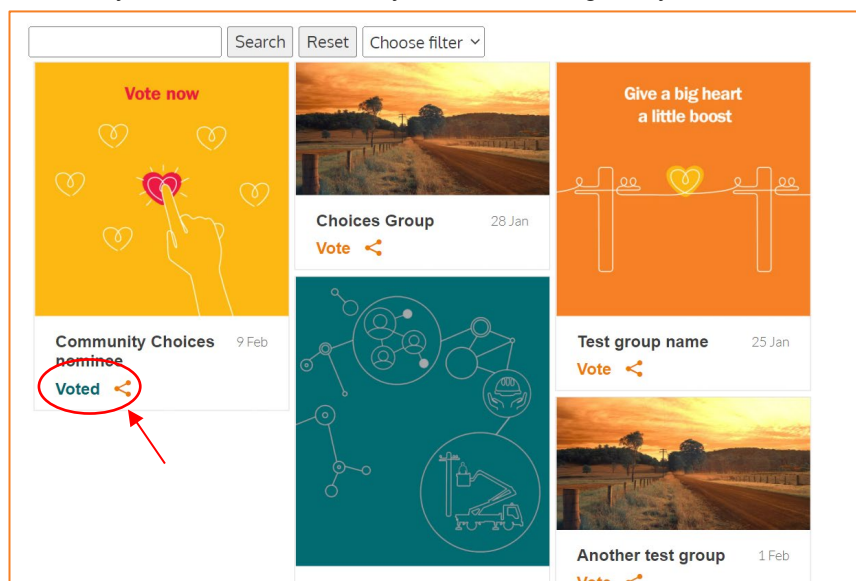

> At any point you can use the **Reset** button to go back and view all groups

> To vote, simply click once on the orange **Vote**

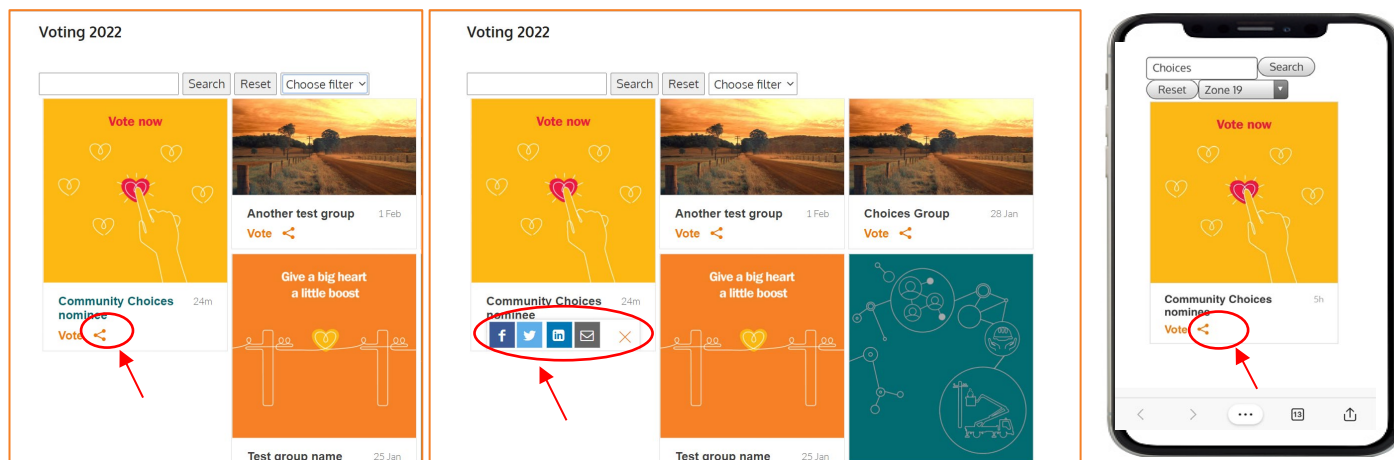

> Once you click **Vote**, it will say **Voted**, showing that your vote has been received.

> If you try to vote again inside the hour you will see an error message that you have already voted. You can vote once per hour, per group

> To share your group and encourage others to vote use the **Share** link to share by email or social media
