INFORMATION REGISTER

Reviewed: 1/04/2026

Current as at: 31/03/2026

Purpose:

This register is maintained and made publicly available in accordance with clause 4.3.4(a) of the Australian Energy Regulator's (AER) Ring-fencing Guideline Electricity Distribution.

The table below lists the Related Electricity Service Providers (RESPs) and other legal entities who have requested access to information identified in clause 4.3.3(a), that is, ring-fenced information that a Distribution Network Service Provider (DNSP) shares with a RESP or other legal entity, and a description of the kind of information requested.

ID	Company name	Description of information requested*	Date added to register

*The description of the information must provide sufficient detail to enable other legal entities to make an information decision about whether to request that kind of information from the DNSP.
