Application Assessment Fee

An assessment fee will be applicable for every application submitted to cover costs incurred by Radio Site Management.

The application fee is payable prior to Essential Energy commencing any works associated with the assessment of the application.

An invoice will be mailed to you attention as soon as Essential Energy receives this completed Essential Energy Radio Site Application Form. (CERSAF)

Note: This assessment fee is non-refundable should the application be unsuccessful.
Refer to Table 2.0 – Co0user Fees and Charges Schedule.
