

Agreement for Decoration or Installation of Private Attachments on Essential Energy Assets

Unless otherwise specified, defined terms in Company Manual: CEOM7150.1- Design and Construction of Joint Use Attachments have the same meaning in this Agreement.

In consideration for Essential Energy granting _____ (the **Applicant**) permission to decorate or install Private Attachments, which includes Promotional Signs and Banners, on Essential Energy Assets as described in the Applicant's letter of _____ (a copy of which is attached to this Agreement), the Applicant:

- 1 Agrees to ensure that its employees, agents and subcontractors (including ASPs):
 - a Comply with Company Manual: CEOM7150.1- Design and Construction of Joint Use Attachments as may be revised or replaced by Essential Energy from time to time; and
 - b Obey all reasonable directions provided by Essential Energy in whatever form, including Essential Energy policies and guidelines, in relation to any Decorations or Private Attachments installed by the Applicant on Essential Energy Assets.
- 2 Accepts all liability arising from any Decorations or Private Attachments installed by the Applicant on Essential Energy Assets and indemnifies Essential Energy against all losses, liabilities and costs incurred by Essential Energy in connection with any damage or injury arising out of such Decorations or Private Attachments.
- 3 Must remove any Decorations or Private Attachments installed by the Applicant from Essential Energy Assets as directed by Essential Energy and make good any damage caused by such removal and, if the Applicant fails to comply with Essential Energy's direction, Essential Energy may:
 - a Remove the Decorations or Private Attachments and dispose of them
 - b Make good any damage caused by such removal; and
 - c Recover the cost of doing so as a debt due and payable on demand.
- 4 Agrees that in an emergency, Essential Energy may without notice remove any Decorations or Private Attachments installed by the Applicant from Essential Energy Assets without incurring any liability to the Applicant.
