

Be a Safety Star

POSTER COMPETITION

WIN one of TWO \$1,000 donations to your school P&C Association.

This year a winner will be chosen from each of these two primary school categories; K-Year 1 & Year 2-3. The students with the two winning entries will also receive a Xtreme Bots - Woki Coding Robot, and there will be four runners up prizes too.

ENTER NOW.

1. Simply photocopy or print the poster design template provided in the resource pack and encourage your classroom to get designing.

- Ask your students to complete their poster design
- Remind your students to fill out their name, school and year at the bottom of their own poster.

2. Read the full terms and conditions at essentialenergy.com.au/postercomp

3. Submit entries on behalf of your student(s)

- Complete the online class entry form and upload your class completed posters at essentialenergy.com.au/postercomp OR
- Complete this class entry form (one per class) then either scan and email your entry form and posters to postercomp@essentialenergy.com.au OR post to:

Essential Energy
Be a Safety Star Poster Comp
PO Box 5730
Port Macquarie NSW 2444

For full terms and conditions visit essentialenergy.com.au/postercomp

Entries open Monday, 12 July and close Friday, 17 September 2021.

Original posters and entry forms can not be returned.
